FUN & PLAY

At VirtuFit, we believe that staying active should be fun, accessible, and engaging for all ages. Whether you're paddling through the water, scoring goals, or mastering padel, our versatile equipment brings excitement to every moment. For outdoor adventures, VirtuFit offers compact and portable products that are easy to take along wherever you go. Challenge your friends with portable soccer goals, take paddle boards out on the water, or enjoy a playful match with our padel rackets at the park or during your next getaway.

For endless excitement right at home, explore our durable trampolines for safe and enjoyable jumping, sturdy basketball hoops perfect for backyard gameplay, and easy-to-set-up swimming pools for refreshing summer fun. And that's just a glimpse of what we offer! Explore VirtuFit's Fun & Play collection and find everything you need to make every day an adventure!

SINGLE ACTION PUMP

The VirtuFit Single Action SUP Board Pump is a lightweight, user-friendly pump, perfect for effortlessly inflating your SUP board or any other inflatable products. The built-in pressure gauge is easy to read and shows both PSI and bar, helping you achieve the perfect inflation every time.

***SKU** VF91008 - **EAN** 8720828507988*

DOUBLE ACTION PUMP

The Double Action Pump features an innovative two-way pumping system, meaning it pumps air into your SUP board during both the upward and downward movements. This doubles the pumping speed and halves the time needed to inflate your SUP board, air mattress, or kayak. You'll be ready to hit the water in no time. With dimensions of 64 x 25 x 12 cm and an air capacity of 1.8 liters per stroke, this pump offers an efficient and powerful solution for inflating your SUP board.

***SKU** VF06108 - **EAN** 8720828510926*

TRIPLE ACTION PUMP

The Triple Action Pump is the ultimate tool for effortlessly inflating your SUP board, kayak, or any inflatable gear. Designed for speed and efficiency, this advanced pump features three settings that provide optimal pressure with every use, ensuring a quick and smooth inflation process. Spend less time pumping and more time on the water, enjoying your adventure to the fullest.

SUPBOARD SEAT PRO

The Kayak Seat Pro is designed for easy attachment to any SUP, thanks to 4 D-rings on the deck pad. Simply clip the seat onto the D-rings, adjust the straps for a comfortable fit, and you're ready to hit the water. Made with durable neoprene and featuring stainless zinc clips and a high backrest, the seat offers long-lasting support for users of all heights. When it's time to transport, the seat easily folds, making it convenient to pack alongside your other gear.

***SKU** VF91003 - **EAN** 8720828507827*

KAYAK SEAT PRO

Upgrade your kayak experience with this comfortable and supportive seat. Designed to enhance stability and provide excellent back support, it's ideal as an upgrade or as an extra seat for group paddles. Easy to attach and ergonomically shaped for long-lasting comfort, it lets you enjoy relaxed and stable rides on lakes, rivers, or calm seas.

CONTROL PADEL RACKET

Balance Point	Middle
Shape	Round
Weight	365 grams
Material	Fiberglass
Frame thickness	38 mm
Core	Soft
Profile	Glossy
Level	Beginner

Designed with precision and control in mind, this racket is the perfect choice for beginners, looking to improve their game. With its large sweet spot in the round blade shape, this racket offers excellent precision with every stroke, making it easier for new players to hit the balls accurately. Weighing 365 grams, it's also light enough for easy maneuverability on the court.

RUNNING & HIKING

Whether you're hitting the pavement for a run or exploring the great outdoors on a hike, the right gear makes all the difference. In our Running & Hiking collection, you'll find all the essential accessories to enhance your performance and comfort. From improving your running technique with the latest gadgets to staying visible during early morning or late evening workouts, we have everything you need to stay safe, focused, and motivated. Elevate your running and hiking experience with top-quality gear designed to keep you moving forward, no matter the terrain or time of day.

ADJUSTABLE LED SAFETY BAND

The ideal companion for all your running adventures. With a simple press of a button, you can activate the LED lights to stand out in the dark and stay safe during your workout. Choose between blinking or continuous light modes. The one-size Safety Band features a Velcro closure for a secure fit, ensuring it stays in place throughout your run.

***SKU** VF05001 - **EAN** 8719325755329*

REFLECTIVE BAND

This reflective armband with LED lights ensures that you are highly visible in twilight and darkness. The armband has a 'slap bracelet' design and is easy to put on and take off. You can wear the band on your arm, wrist, or ankle, and also attach it to your backpack or clothing. You can choose between continuous or flashing LED light.

***SKU** VF05006 - **EAN** 8719325755374*

REFLECTIVE SAFETY BAND

The Reflective Safety Band is an essential for every runner. These two reflective bands ensure high visibility in low light, allowing you to exercise safely in the dark. The elastic bands feature reflective stripes and a secure Velcro closure that stays in place. Simply wrap them around your arms, legs, or head, and head out with confidence.

***SKU** VF05011 - **EAN** 8719325755428*

REFLECTIVE LED SAFETY VEST

An essential for runners who need extra visibility and safety during twilight or nighttime jogging. This safety vest is equipped with LED lights on both the front and back, while the elastic bands feature reflective stripes for added visibility. This ensures you can run safely and confidently, even in low-light conditions. The vest closes with a click system, and the adjustable bands provide a secure, comfortable fit while running.

***SKU** VF05007 - **EAN** 8719325755381*

SHOE CLIP WITH LED

Enhance your visibility during runs with the shoe clip. Easily attach it to the back of your running sneakers for added safety. The LED light can stay on continuously or blink, activated by a simple press of the on/off button on the side. Running in twilight or darkness becomes much safer with this simple, effective addition.

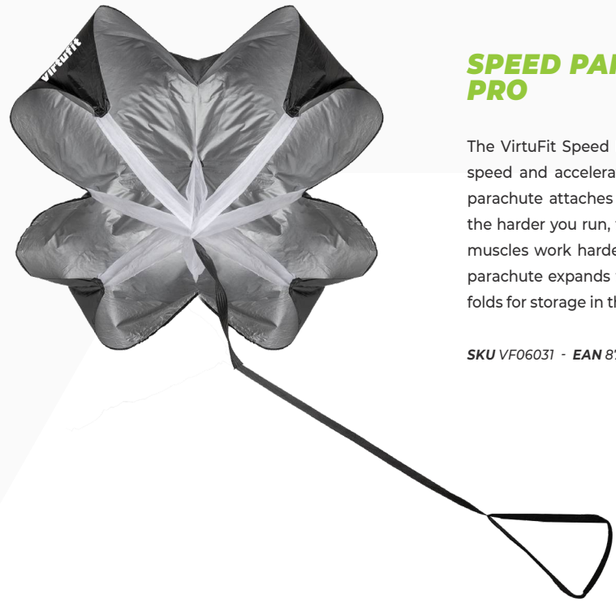

***SKU** VF05009 - **EAN** 8719325755404*

LED CLIP

Are you looking for a small but bright light for when you exercise outdoors? Then the LED Clip is exactly what you need. Attach this LED clip easily to your clothing or running belt for extra visibility in the dark. Whether you're running or hiking, this clip ensures that you are seen. The red LED light can flash quickly or slowly or stay continuously lit with a simple press of the on/off button on the side.

***SKU** VF05010 - **EAN** 8719325755411*

SPEED PARACHUTE PRO

The VirtuFit Speed Parachute is designed to increase your sprint speed and acceleration by adding resistance while running. The parachute attaches around your waist with a Velcro closure, and the harder you run, the more resistance is created. This helps your muscles work harder, improving your sprinting performance. The parachute expands to 145 x 145 cm when filled with air and easily folds for storage in the included carrying bag.

***SKU** VF06031 - **EAN** 8719325756258*

RUNNING BELT PRO

Offering convenience during your runs, this belt lets you carry essentials without the bulk of a large, heavy bag. The adjustable, elastic band with a Velcro closure ensures a secure fit every time. Despite its compact design, the belt offers plenty of space! The two compartments are roomy enough to hold a smartphone, ID card, house key, and even a sport cap.

SKU *VF05005* - ***EAN*** *8719325755367*

BOTTLE BELT FOR RUNNING & HIKING

Stay hydrated during your run with the Bottle Belt. This belt is designed to carry your favorite sports drink on the go. With two bottles, each approximately 300 ml, the weight is comfortably distributed around your hips. When you're thirsty, you don't have to stop for long to drink; with this belt, you can easily and quickly grab one of the bottles. The bottles stay in place with an elastic band.

SKU *VF05002* - ***EAN*** *8719325755336*

PHONE CASE FOR RUNNING & HIKING

Crafted for both functionality and comfort, this band features an adjustable, elastic strap that fits any arm, allowing for unrestricted movement. It closes securely with a Velcro strap, and you can safely store your smartphone behind the waterproof touchscreen for easy access.

SKU *VF05004* - ***EAN*** *8719325755350*

PHONE CASE PRO FOR RUNNING & HIKING

Designed for comfort and functionality, this band features an adjustable strap for a secure fit. Your phone stays protected behind the waterproof touchscreen, while the built-in LED light enhances visibility in the dark.

SKU *VF05003* - ***EAN*** *8719325755343*

RUNNING BELT

Your perfect companion for a hassle-free running session. This belt lets you carry all your essentials without the burden of a bag. The adjustable, elastic band with a Velcro closure ensures a comfortable fit every time. Despite its compact design, the stretchy storage compartment offers plenty of room for a smartphone, ID card, and house keys. Keep your hands free and focus on your performance, with space for everything you need.

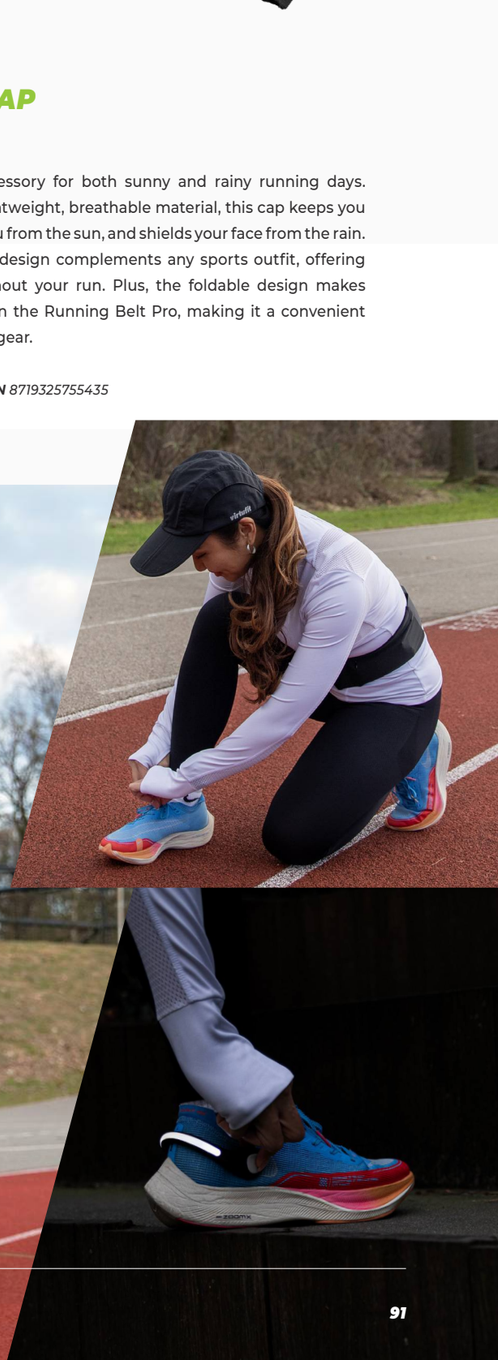

SKU *VF05008* - ***EAN*** *8719325755398*

SPORT CAP BLACK

The perfect accessory for both sunny and rainy running days. Crafted from lightweight, breathable material, this cap keeps you cool, protects you from the sun, and shields your face from the rain. Its classic black design complements any sports outfit, offering comfort throughout your run. Plus, the foldable design makes it easy to store in the Running Belt Pro, making it a convenient addition to your gear.

SKU *VF05012* - ***EAN*** *8719325755435*
