***SKU** VF02117 - **EAN** 8718591681226*

GRIP STRENGTH TRAINER

PVC

Strengthen your hands, grip, and forearms with the grip strength trainers. Squeeze the gripper with one hand to activate the forearm muscles responsible for grip strength and endurance. This training is essential for climbers and athletes in sports like baseball and tennis, as well as a supportive exercise for deadlifts, pull-ups, and chin-ups.

***SKU** VF03017 - **EAN** 8719689982690*

GRIP STRENGTH TRAINER

FOAM

Strengthen your hands, grip, and forearms with the Foam Hand Grippers. These are essential for sports where grip plays a key role, such as climbing, baseball, tennis, and fitness exercises like deadlifts, pull-ups, and chin-ups. A strong grip is also helpful for daily tasks, like moving furniture or carrying groceries.

***SKU** VF03022 - **EAN** 8719325459623*

GRIP SRENGTH TRAINER

ADJUSTABLE / 5 TO 20 KG

Improve your grip and strengthen your hand and arm muscles with the Adjustable Hand Gripper. This compact gripper is perfect for taking on the go, allowing you to practice anywhere, whether you're on the move or at work.

***SKU** VF03030 - **EAN** 8719325757071*

WRIST ROLLER PRO

25 KG

An effective tool for forearm training, designed to support up to 25 kg of weight for more intense and challenging workouts. Perfect for building strength, endurance, and grip by loading multiple heavy plates.

***SKU** VF02062 - **EAN** 8719325758863*
